**Re: Tim Davies as a subcontractor and translation supplier**

I am writing to confirm that I have known and collaborated with Tim Davies on translation assignments for over 10 years now.

During that time, he has assisted me greatly by translating numerous texts within the field of railway signalling, railway engineering and general train-related specifications and tenders.

I estimate that the total number of pages of translation which he has supplied amounts to some 600-700 pages over this 10-year period.

He has worked principally from the Danish and Norwegian languages and always into his mother tongue, which is (British) English.

Furthermore, I have always been satisfied with the quality and consistency of his work and have received only positive feedback from the end-clients, wherever they are based.

I would not hesitate to recommend him for this kind of work, therefore.

I trust that this information will be of help to you.

Yours faithfully,
